SUBJECT: Invitation to Showcase at 2023 BIG National Training Institute Exhibit Hall

Greetings Prospective Exhibitors,

The National Organization of Blacks In Government, Inc. (BIG) extends an invitation to your organization to showcase at our 44th Annual National Training Institute (NTI), which will be held August 28-31, 2023 in National Harbor, MD. The NTI theme is "Accept the Challenge, Exceed the Standard through Professional Development". BIG is a 501(c)(3) nonprofit organization whose members are civil servants at the federal, state, and local areas of government. Founded in 1975, BIG functions as an employee support and advocacy organization. BIG's primary mission, is to promote and enhance educational, and training opportunities for minorities in government.

The exhibitors' showcase will feature numerous government agencies, Fortune 500 companies, consultants, universities and colleges, and entrepreneurs. These exhibitors will provide a wide array of information especially in the areas of educational, career, and recruitment program opportunities.

We are expecting federal, state, and local government professionals to attend this year's BIG NTI. The BIG NTI is a wonderful opportunity to showcase your organization's talent, service, product, industry updates, and recruit new talent. This exhibition is one of the best places for attendees to gain personal and professional growth, knowledge on current industry trends and the latest cultural and health updates.

Please join us in equipping our attendees with the necessary tools, products, and services as they enhance their personal and professional growth. Help increase their knowledge in today's ever-changing environment and keep pace with challenges of everyday life. If you are interested in having your organization represented, please register at www.bignet.org and click 2023 NTI.
