

Seeking Volunteers for Speed Mentoring Session at NTI

Blacks In Government, NOW Generation will be partnering with Future Leaders in America's Government (FLAG) Program to host a speed mentoring event. The NOW Generation will serve as mentors to the FLAG mentees to briefly discuss their career progression and other topics related to professional development.

Concept: Mentors will sit with a set of FLAG students at each table. Mentors can provide a brief background of themselves and allow time for students to ask questions.

This event will be held at the 44th Annual National Training Institute at Gaylord Convention Center at National Harbor, MD. For more information about the NTI, please visit: <https://bignti.org>

Event Timing: Monday, August 28, 2023 from 4:00pm to 6:00pm.

Location: Gaylord Convention Center
